Docket No. CP2011-51

**MOTION FOR LATE ACCEPTANCE OF  
CUSTOMER CONTRACT FILING NOTICE FOR  
PRIORITY MAIL—NON-PUBLISHED RATES  
SERIAL NUMBER ENDING: 0007-0008  
(December 27, 2013)**

The United States Postal Service hereby moves for late acceptance of its notice of filing for the Priority Mail—Non-Published Rates (PMNPR) customer agreements, with serial numbers ending in 0007-0008, which the Postal Service has filed today in this docket. Commission Order No. 661 requires that notice of a new PMNPR contract must be filed within a “reasonable time” of the contract’s effective date. Regrettably, the Postal Service discovered that the notices for these two contracts were not filed with the Commission in a timely manner, relative to each contract’s effective date.

Nevertheless, data pertaining to these contracts will be reported as part of the Postal Service’s Annual Compliance Review, which is being filed today. Thus, the Postal Service respectfully moves for late acceptance of its notice filing for the instant contracts. The Postal Service regrets the oversight, but submits that no party has been materially prejudiced by the delay in filing today’s notice pleading.

Respectfully submitted,

UNITED STATES POSTAL SERVICE  
By its attorneys:
